Dear Group Leader:

Thank you for deciding to be a part of The Philadelphia Project. We seek to see countless lives touched and changed, and we believe that your students will be a part of achieving that.

Our focus at The Philadelphia Project is one thing: the students. We want to provide an environment for your student to experience God and for you to build a relationship with them. Getting the work done is secondary to the relationships. I want to encourage you to begin praying for your students. Pray that they will come here with their hearts and minds open to receive what God wants to do in their lives.

We are excited to see what God is going to do during your time with us. Our theme for this year is "Love God, Serve Others, Be The Church" and that is our prayer for your students. We hope that they come, and through serving, experience God in a real way. We want to see them leave here on fire and focused on others; ready to spread God's love to their church, to their schools, their families, their friends, and their communities. We want to see a spark lit in the heart of your students that will set the world on fire.

Thank you again for deciding to be a part of The Philadelphia Project.

In His Service,

Raymond Garcia
